Applications

| Automotive | Aerospace | Assembly |
| Maintenance | General Use | Logistics |

Product Features:

3D Hand Former
The incorporation of 3D hand former technology ensures an ergonomic and superior fit, providing enhanced comfort and performance tailored to the unique contours of your hand.

Touch Screen Compatible
Use your smartphone, tablet, or other touchscreen devices without needing to remove your gloves, which helps keep your hands protected.

Spandex
The inclusion of Spandex enhances elasticity, providing a snug and flexible fit for increased comfort and freedom of movement during wear.

Micro Nitrile Foam Coating
The micro nitrile foam coating enhances breathability for the glove wearer, allowing for improved air circulation and comfort, especially during extended use.

Paper Wrap
The gloves are packaged in a paper wrap, reflecting a commitment to sustainability by minimising plastic usage and opting for eco-friendly materials.
